step up your shoe game

*“good shoes take you good places”*

## Sneakers

Going to the gym or just simply going to grab happy hour with your dudes or your girls. Sneakers are making a hit, from statement-making glitter and all-over patterns to super-retro throwback styles, we have a feeling your closet is soon going to be filled with kicks you just can't ignore.

**Some of our favorites include the classic vans, Adidas superstars and your everyday running shoe.**

## Mules

With a heel or without, closed toe or open so many choices with only two feet to fill! Mules are the ultimate spring shoe trend you can dress them up with a cute sundress or dress it down with a pair of girlfriend jeans and tank top.

This it shoes come in patterns, solids, suede, patent leather, you name it! Get creative and definitely add these as a staple in your closet!

## Slides

Will be sliding on into your wardrobe this spring for sure!

These simple yet chic shoes are super popular and the HYPE is real!

You couldn't possibly ask for an easier pair of shoes to throw on that can go with almost anything!

Our favorite way to pair them is with workout clothes or a simple pair of skinny jeans and graphic tee!

## Accessorize with Accessories

### FANNY PACK

*aka belt bags aka short strap crossbody bags*

They're back we don't think they are going anywhere anytime soon. They are literally on everyone combining function and fashion into one and you need yours asap.

This chic on trend, street style is totally dominating in the "purse" world! Wear it over your shoulder, on your hips or across your body.

### EAR BLING

*go bling or go home*

Grab those shoulder grazing earrings and give your lobes a bold fashion update. Be sure to select the longest and loudest pair you can find. This trend only seems to be getting larger in popularity and size.

### STATEMENT STRAW HATS

*MUST OWN this season!*

Now this is a spring favorite! At the beach and need a little shade? Grab a straw hat. Dry shampoo not covering up just how dirty your hair really is, grab a straw hat.

Want to add a statement to your #OOTD grab your straw hat girl! These are so simple yet so versatile in your spring wardrobe, you just cant go wrong with one.
